

# Lighting for every personality

World-renowned classic Le Klint lampshades and fixtures are timeless examples of Danish design and craftsmanship. Clean, simple and striking, the collection reflects both tradition and renewal and is recognized for its quality and beauty. Le Klint lamps are more than just elegant shades. They are, in fact, successful combinations of lines and materials-beautifully crafted by the very best of Danish designers.

## LE KLINT

### LK172

The playful LK172 ceiling lamp emits a beautiful glow in any environment. The piece is made from a color stabilized, washable PVC. Both the cord and the body of the lamp are finished in brilliant white.
